JESUS IS ENOUGH 2012

Dr. Tony Campolo SPEAKER

Tony Campolo is professor emeritus of sociology at Eastern University, a former faculty member at the University of Pennsylvania, and the founder and president of the Evangelical Association for the Promotion

of Education. He has written more than 35 books and speaks on the average of 350 times a year! His insight is often controversial but it always challenges hearts to dig deep and to be more like Jesus. You never leave the same after you've heard Tony. He and his wife Peggy live near Philadelphia and have two children and four grandchildren.

Mary Alessi CONCERT

Mary Alessi is known for her passionate praise in songs and is one of the artists in the Stellar Award-nominated release 'When Women Worship'. She is the twin sister of Grammy Award nominee Martha Munizzi so she has grown up worshipping Jesus.

Her latest CD, "Pressing On" is having an eternal impact on countless hearts around the globe. The CD isn't just a wonderful collection of spirited music from this Dove Award nominee, but after witnessing her husband, Steve, have a near-death experience, she's learned to declare - no matter what happens - that she will indeed "press on". Mary and her husband co-pastor Metro Life Church in Miami, FL.

WC House Band WORSHIP

This year we have our very own WC House Band. We know that this group of worshipers will turn our eyes to Jesus. We know that our souls will be bolstered and we will leave with a song and a determination to make Jesus famous.
